**Thank you for your support!**

EAF continues to be the sole source of support other than student loans for many of our student recipients. In addition, the community-based organizations and individual projects funded through our Community Assistance Award (CAA) program are often overlooked by other funding sources. During 2021 the Foundation awarded over \$450,000 in scholarships and community assistance awards.

Make checks payable to EAF or go online to <https://donate.akaef.org>
