FACT SHEET

Revised 10/2017

Introduction

The Alpha Kappa Alpha Educational Advancement Foundation Youth P.A.C. Program began as a vision in 1997 to involve young people in the philanthropic process. The Foundation's leadership knew that creating a program to channel youth philanthropic commitment to mankind would pay large dividends in the future, in the form of trained, capable leadership.

Currently, the program is structured for undergraduate Sorors led by a committee of undergraduates headed by the Foundation's 2nd Vice President (2nd Supreme Anti-Basileus).

The mission of the Alpha Kappa Alpha Educational Advancement Foundation Youth P.A.C. Program is to promote healing, nurturing, learning and uplifting of youth by assisting in developing lifelong learning skills.
