The Alpha Kappa Alpha Educational Advancement Foundation.® (EAF) Youth P.A.C. Program began as a vision in 1997 to involve young people in the philanthropic process. The Foundation's leadership knew that creating a program to channel youth philanthropic commitment to mankind would pay large dividends in the future, in the form of trained, capable leadership.

The mission of the AKA Youth P.A.C. Program is to promote healing, nurturing, learning, and uplifting of youth by assisting in developing lifelong learning skills. This will be accomplished by providing awards and scholarships that support these issues.
