## Our Mission

The mission of the Alpha Kappa Alpha Educational Advancement Foundation, Inc.<sup>®</sup> is to promote lifelong learning. This is accomplished by securing charitable contributions, gifts, and endowed funds to award scholarships, fellowships, and grants.

## Our Vision

The Educational Advancement Foundation<sup>®</sup> sees the consistent and ever-present gap in funding for STEM, music, the arts, youth enrichment, and other critical development activities that are vital to supporting our youth and developing well-rounded individuals. We use our dollars to help college students to complete their education, as seed money for charitable endeavors, and to support and expand community service projects. Through our mission, our vision is to perpetually reaffirm our commitment to the financial support of educational endeavors.

# MESSAGE FROM THE PRESIDENT:

## *A Vision for the Future*

Dear EAF Members,

As we reflect on the accomplishments of 2025, I am honored to present the Alpha Kappa Alpha Educational Advancement Foundation® Annual Impact Report. This year's theme, ***Soaring Forward with Vision and Impact***, reflects both our unwavering commitment to educational excellence and our determination to expand opportunities for generations to come.

For 45 years, the Foundation has served as a catalyst for academic achievement, leadership development, and community transformation. Guided by a clear vision and purposeful vision and strengthened by the generosity of our donors and supporters, EAF continues to invest in students, communities, and programs that create lasting measurable change.

Throughout 2025, the Foundation achieved significant milestones. Through scholarships, fellowships, and community assistance initiatives, we awarded millions of dollars in support to students and organizations across the globe. These investments represent far more than financial support; they reflect confidence in human potential, belief in the transformative power of education, and a commitment to developing leaders who will shape the future.

As our impact continues to grow, so does our responsibility to steward the resources entrusted to us. The Foundation remains financially strong, mission-focused, and dedicated to ensuring that every contribution advances meaningful and measurable outcomes. Our continued growth reflects the collective efforts of members, donors, volunteers, and partners who share a common vision of empowering individuals through education and service.

On behalf of the Board of Directors, thank you for your unwavering support of the Foundation's mission. Together, we honor a legacy of excellence while building a future filled with promise, opportunity, and impact.

In service and sisterhood,

A handwritten signature in black ink that reads 'Danette Anthony Reed'.

# MESSAGE FROM THE EXECUTIVE DIRECTOR:

## Soaring Forward

As we reflect on the accomplishments of 2025, I am filled with gratitude for the donors, volunteers, partners, and supporters whose commitment continues to advance the mission of the Educational Advancement Foundation® (EAF). This year's theme, *Soaring Forward with Vision and Impact*, reflects both the progress we have achieved and the promise of what lies ahead.

For 45 years, EAF has remained steadfast in its commitment to promoting lifelong learning and expanding access to educational opportunities. Throughout 2025, that commitment was demonstrated through scholarships, fellowships, community assistance awards, and leadership development initiatives that empowered individuals, strengthened communities, and created pathways to success.

This year marked a period of extraordinary impact and growth. Through the generosity of our donors and the dedication of our volunteers, **EAF awarded \$2,130,239** in scholarships, fellowships, and community assistance funding, **supporting 1,959 recipients**. The Foundation also continued its strong trajectory of growth, with **\$34,166,089 in net assets** and **642 endowments and fellowship funds** helping to create sustainable educational opportunities for generations to come. These achievements reflect not only the strength of our mission, but also the collective commitment of those who believe in the transformative power of education.

Behind every scholarship awarded, every fellowship funded, and every grant distributed is a story of perseverance, achievement, and hope. These stories remind us that education remains one of the most powerful tools for transforming lives and building stronger communities.

As our programs continue to expand, we remain committed to responsible stewardship, operational excellence, and strategic growth. The Foundation's continued financial strength reflects not only sound management practices but also the trust placed in us by those who believe in educational advancement as a catalyst for lasting change. We honor that trust by ensuring that every contribution advances our mission and extends our impact.

As we soar forward, we do so with a clear vision for the future—one that builds upon our rich legacy while embracing new opportunities to serve. I am inspired by the collective dedication of those who support our work and by the students, scholars, and community leaders whose lives are changed through the Foundation's efforts.

*Thank you* for your continued confidence in EAF and for partnering with us to create opportunities, inspire achievement, and transform lives. **Together, we are building a legacy of impact that will endure for generations to come.**

With gratitude and purpose,

**Erika V. Everett**

# MESSAGE FROM THE TREASURER:

*Stewarding Resources.  
Advancing Impact.*

Greetings!

It is my pleasure to present the Treasurer's Report for the Alpha Kappa Alpha Educational Advancement Foundation, Inc.® ("EAF" or "the Foundation") for the fiscal year ended December 31, 2025.

As we reflect on a year of continued growth and achievement, EAF remains financially strong and well-positioned to advance its mission of promoting lifelong learning through scholarships, fellowships, grants, and educational initiatives. Guided by sound fiscal management and responsible stewardship, the Foundation continues to expand its capacity to serve students and communities while honoring the trust placed in us by our donors and supporters.

At year-end, the Foundation reported total assets of **\$34.3 million**, **an increase of more than \$4.5 million** from the prior year. Total liabilities were **\$36,823**, resulting in net assets of **\$34.2 million**. The Foundation generated **\$8.6 million** in revenue during 2025, while expenses totaled **\$5.1 million**, reflecting continued investment in programs and services that directly support our mission.

## INVESTMENT PERFORMANCE

Investments remain the Foundation's largest asset category, totaling **\$27.5 million** and representing approximately **81%** of total net assets. During 2025, the investment portfolio generated **\$3.45 million** in income and appreciation, reflecting the long-term strength of our investment strategy and the benefits of disciplined portfolio management. These returns help sustain scholarship, fellowship, and grant programs while preserving the long-term value of donor investments.

## ENDOWMENTS AND FELLOWSHIPS

The Foundation's endowment portfolio continued to grow throughout the year. As of December 31, 2025, EAF administered **579 endowments**, including **463 capitalized endowments**, each representing a lasting commitment to educational opportunity and community impact. In addition, the Foundation managed **73 fellowship funds**, supporting research, leadership development, and advanced educational pursuits.

Financial strength is not an end in itself—it is the means by which EAF advances its mission. Every contribution, investment return, and endowed gift ultimately supports students, scholars, and communities seeking greater opportunities through education.

Through prudent stewardship and strategic planning, we remain committed to ensuring that the Foundation's resources continue to create meaningful impact for generations to come.

On behalf of the Foundation, thank you for your continued confidence, generosity, and support as we soar forward with vision and impact.

In service and sisterhood,

*Karla A. Hall*

At EAF, legacy is more than a gift—it is an enduring investment in future generations. Through endowed scholarships, fellowship funds, community assistance awards, and educational initiatives, our donors create opportunities that extend far beyond a single year. Their generosity helps remove barriers, open doors, and empower individuals to pursue their educational and leadership aspirations.

Each endowed fund represents a vision for the future and a commitment to ensuring that access to education remains available for generations to come. Through careful stewardship and purposeful grantmaking, EAF transforms philanthropic investments into lasting impact, supporting scholars, strengthening communities, and advancing the mission of lifelong learning.

# Impact Through SERVICE

Service is a defining principle of the Educational Advancement Foundation's mission. Through Community Assistance Awards and Youth P.A.C., EAF invests in organizations and emerging leaders who are creating meaningful change in their communities. By supporting programs that address educational, civic, and human service needs, the Foundation extends its impact beyond individual scholarships to strengthen communities and inspire a lifelong commitment to service.

# Transforming Lives: COMMUNITY ASSISTANCE AWARDS

## 2025 COMMUNITY ASSISTANCE AWARD RECIPIENTS

### Future Founders Program

*BLOS COLLECTIVE*

The Future Founders Program is a two-week entrepreneurship and leadership initiative for Black and Brown girls ages 12-17 in Oakland. It teaches financial literacy, marketing, and business planning while pairing participants with mentorship and hands-on experience launching and selling their own products or services at a community marketplace. The program is designed to build confidence, business skills, and long-term economic empowerment for underserved young women.

### CCOIC Driver's Education Program

*CHESTER COUNTY OIC*

CCOIC's Driver's Education Program helps Chester County residents overcome transportation barriers that can prevent them from accessing jobs, education, and other opportunities. The program provides driver training, assistance with the permit and licensing process, and support navigating the DMV, while also connecting participants to financial stability resources like car-buying support and credit counseling. Its goal is to increase mobility, independence, and access to sustainable employment.

### Promoting School Gardens and Wardrobe Hubs

*EBONY PEARLS FOUNDATION  
OF SAN DIEGO, INC.*

This program supports underserved elementary school students in San Diego by combining school gardens with Wardrobe Hubs. The gardens provide hands-on lessons in nutrition, sustainability, and healthy eating, while the Wardrobe Hubs supply essential clothing, shoes, and hygiene items so students can attend school with confidence and dignity. Together, these services aim to improve attendance, family engagement, and student well-being.

### Building Resilience

*ALTADENA RECOVERY TEAM (ART)*

Building Resilience is a fire recovery and community support initiative serving families impacted by the Eaton Fire in Altadena and Pasadena. The program provides essential supplies and delivery services, healing-centered wellness and art activities, and leadership development for ART's founders to strengthen long-term recovery efforts. Its overall focus is helping disaster-impacted families meet immediate needs while building community healing, resilience, and sustainable support systems.

### The Legacy Cultural Project

*FRED SOMERSET MEMORIAL  
SCHOLARSHIP PROGRAM*

This is a grassroots community development initiative in Farrell, Pennsylvania, that uses youth leadership, civic engagement, African American history, and cultural education to address racial, economic, and public safety inequities. Through programs such as a Youth Leadership Academy, civil rights learning experiences, community workshops, and student-led civic projects, the initiative empowers residents and students to advocate for policy change, strengthen police-community relationships, and build a safer, healthier, and more equitable community.

## The ABLE Fund

*HBCU ABLE, INC.*

The ABLE Fund is a student support initiative launched by HBCU ABLE, Inc. to help college students overcome financial barriers during their academic journey. The program provides direct financial assistance for essential needs such as tuition, rent, and groceries, helping reduce financial stress and promote stability so students can remain focused on successfully completing college.

## Student Scholars Program

*HEALTHY HOOSIERS INITIATIVE, INC.*

Student Scholars is a mentorship and student development program designed to help middle and high school students in rural Daviess County, Indiana, reach their full potential. By pairing students with local mentors—including educators, business owners, social workers, and retired law enforcement professionals—the program provides one-on-one guidance, academic encouragement, and support in navigating school challenges. It also helps students explore college and career pathways while building the confidence, motivation, and life skills needed for long-term success.

## The Emerging Leaders Mentorship Program (ELMP)

*KIDS EDUCATIONAL ENGAGEMENT  
PROJECT LIBERIA (KEEP)*

This is a 10-week youth leadership and development initiative led by KEEP Liberia for adolescents ages 13–17. Through weekly sessions focused on public speaking, civic engagement, entrepreneurship, creative expression, and peer mentorship, the program helps participants build leadership skills, confidence, teamwork, and a sense of social responsibility. By expanding its curriculum and mentorship network, ELMP aims to prepare young people to become engaged, community-minded leaders and changemakers in Liberia.

## Multicultural Reading Nooks

*THE EDUCATIONAL AND  
CHARITABLE FOUNDATION (ECF)*

Multicultural Reading Nooks is a literacy and family engagement initiative that will create culturally inclusive reading spaces at two Title I elementary schools in Fairfax County, Virginia. The program will provide diverse, high-quality books that reflect the histories and experiences of marginalized communities, helping students see

themselves represented in what they read while promoting literacy, confidence, and empathy. It also strengthens family involvement by offering multilingual take-home literacy kits that support parents and caregivers in reading with their children and engaging more actively in their education.

## Meals on Wheels Montgomery Metro Area / Beta Nu Omega Senior Support Initiative

*THE IVY FOUNDATION  
OF MONTGOMERY*

Meals on Wheels Montgomery is a senior assistance program that helps older adults in the Montgomery area remain healthy, connected, and able to live with dignity in their own homes. Through meal delivery services and volunteer support, the program addresses food access and daily wellness needs for seniors, while Beta Nu Omega members contribute through a long-standing delivery route and hands-on service. In addition, the Beta Nu Omega Senior Center/Nursing Home Resident Support initiative provides social engagement for seniors through activities such as game nights, seasonal events, and holiday gatherings that promote connection, joy, and quality of life.

# Impact Amplified Through

# MATCHING GIFTS

Matching gifts provide an opportunity to extend the reach of every contribution. Through the generosity of corporate partners and employers who match charitable donations, individual gifts are transformed into even greater opportunities for scholarships, educational programs, and community initiatives. We are grateful to the organizations that invest alongside our donors, helping EAF expand its impact and create brighter futures through education. If your employer offers a matching gift program, we encourage you to take advantage of this meaningful way to multiply your support.

# The Power of Giving

Every scholarship awarded, every educational opportunity created, and every community initiative supported begins with the generosity of our donors. Whether through annual contributions, endowed gifts, matching gifts, or chapter support, our donors make it possible for EAF to fulfill its mission of promoting lifelong learning. We are honored to recognize the individuals, organizations, corporations, and chapters whose philanthropy continues to create lasting impact.

# Guided by Vision Driven by Service

The Educational Advancement Foundation's continued success is made possible through the dedicated leadership of its Board of Directors and the unwavering commitment of its professional staff. Together, they provide the vision, governance, and operational excellence that advance the Foundation's mission and ensure the responsible stewardship of the resources entrusted to EAF. We are grateful for their leadership, service, and shared commitment to expanding educational opportunities and creating lasting impact.
